A Simple Idea

-Hey! It's a simple idea. She screws you she gets the green card.

-I don't know. I got a family.

-You can't get caught. I figured it to a T, and have indulged for higher, patriotic reasons half a dozen times.

-How do I know...clean?

-These women are from a higher class. They bathe, as an example.

-I still don't know.

-Hafta decide soon. She's your last appointment and she knows what to do.
